THINGS TO CONSIDER

- Arc does not make any repairs or do deep cleaning on donated items. The items are taken to our stores' sales floors for immediate resale as-is.
- Would the item sell at a Garage Sale?
- There is a cost related to recycling and disposing of unsalable donations. While we make every effort to accommodate every donor with every item, we have to make tough decisions on the resalable nature of the donations to ensure we can maximize our funding to our charitable cause.

- Arc Thrift Stores is a non-profit organization operating 20 locations in Metro Denver, Fort Collins, Greeley, Loveland, Colorado Springs, and Pueblo. The proceeds generated through the sale of gently used clothing and household items at Arc Thrift Stores are distributed to Arc Chapters and the Association for Community Living (ACL) throughout Colorado. The mission of the Arc Thrift Stores is to enhance the lives of individuals with developmental disabilities and their families by providing funding to support the Arc and ACL chapters in Colorado.

We believe that all people with intellectual and developmental disabilities should have the opportunity to decide how they live, learn, work, and play.
